

SSSE Annual General Meeting 2018 & Systemic approach to innovation

SSSE & *Wojciech Przychodzeń, Paweł Szymik-Kozaczko, Invinsys*

Programme

17.15 - Arrival

17.30 - Intro, Workshop and Q&A

19.00 - Annual General Meeting 2018

19.30 - Networking & Aperitif

Wojciech Przychodzeń is a co-author of the Guide to the General Theory of Innovation and an expert in systemic innovation. He has 12 years of experience as Head of project team and Project manager in corporate and SME settings.

Paweł Szymik-Kozaczko is an innovation consultant and expert in knowledge management, business process and quality improvement, process and data mining.

The lecture is an interactive workshop to apply a method from Invinsys, a forecasting approach to product/system evolution. After the lecture the SSSE will hold the Annual General Meeting 2018.

The event is free, to attend please visit: www.ssse.ch
