

## AI in requirements quality analysis & General Meeting 2019

*Taha Boulaguigue, Future Link GmbH & Yuri Böhler, #IBMStudioZH & SSSE*

### Programme

17.30 - Arrival

18.00 - Intro, Workshop, Q&A, Tour

19.00 - Annual General Meeting 2019

19.15 - Networking & Aperitif

Taha Boulaguigue is a Sr Solution Architect at Future Link GmbH. He has 20+ years of experience in the field of Systems and Software Engineering, Agile adoption and quality improvement.

Yuri Böhler is a Lead Innovation Architect at #IBMStudioZH.

The lecture presents an AI-based solution for the analysis of the requirements quality focusing on clarity and precision and will show the IBM Studio Zurich, a platform for innovation and projects through Design Thinking and agile prototyping.

After the lecture the SSSE will hold the Annual General Meeting 2019.

*The event is free, to attend please visit: [www.ssse.ch](http://www.ssse.ch)
